■ どうもこんにちは　藤臣でございます。皆様、お元気でらっしゃいますか？（おはじめての方は　はじめまして――です。）えっと3冊目のコミックスなんですが　やっぱりとても嬉しくてわたわたしてるのは　変わりないですわ。いろいろな方に感謝することだらけです。

ありがとうございます♥

■ ところで　このタイトル　もうすごくありがちですよね。こんなあつにコミックスのタイトルになるなら　もうちょっと考えればよかったなぁ――と少し後悔したりします。あれこれ何時間も悩んで考えたんですけど（歌のタイトルには　由緒あるし　ちょっと　描いてる時　じゃなくても　普段に歌った時には　TVの連続ドラマとかはじまったりして　～）おれは　悩みかけてるオリー　ユーでしたけど　。ほんとにありがち。）センスないなぁ　たはは　☆です。

■ それでは　つたない作品ですが　楽しんでいただけたらよいのになぁと思います。藤臣花丸

I LOVE YOU!
Eh?
Hmm?
Seems like I'm not the only one here.

Hiding
This is an all-boys school. It's weird for me to be standing here in front of a girls' school, isn't it?
I'm serious.
What?
SWOOP
PEEK
Who is it anyway?
It's..
And the other one is
Ah! It's our team's captain! It's a good thing that I hid myself...
So that kind of person...
Um...

Which part?
Eh?
You said you love me
So I ask you, which part of me do you love?
I can understand his feelings.
Kikuhara-z
Well, it's.. that um. You are very pretty.
!
Oh?
To be honest, I feel the same way as you do.
He's in my class and he's known as the beauty who always sits in the corner alone!
It seems that there's always one beauty in the classroom.

GOOD
Congratulations!
Re... really?
I love myself, too.
AH!?
I only love myself!
I don't need anyone! For me, you're just a burden.
That guy He's

What?

So don't bother me anymore!

A NARCISTIC PERSON?
Haven't met you before.

I was the first one who came here though!
WAIT!
What? ANGER
You stalker!
DRIP
What did you just say?
How dare you!

What's your problem?
I don't know you at all. Besides, I told you that I don't need anyone. Didn't you understand?

How could I let everyone know that the handsome captain is gay?
And he actually got dumped!
Okay-okay!
I'll leave!

What's wrong?
About yesterday...

I never asked you to help me!
But Kikuhara, your attitude was kind of bad..
He would keep one of something
I thought
Eh? That was a weird expression
I'm really sorry
Come to think about it, I shouldn't have been eavesdropping on you guys—

Wash!
What the hell is wrong with that guy?
Because of my looks, many people have fallen in love with me.
But... then what?
Although Kikuhara is very beautiful, his character is really bad!
And he's so rude!
BATCH
Mami has the most beautiful hair I've ever seen!
And she's cute!

Gyu
Kikuhara-kun!
It's always like this...
Even the girls,
Who I thought were cute
!
!
Yeah!
I thought he would be a nice guy since he's so good-looking,
but it turns out that his looks and personality don't match.
Maybe he just has a bad attitude?
He's not at all kind to girls,
unlike the other subservient guys.

He's so proud of himself.
Is he a narcissist?
Giggle Giggle
Pretty guys are often like that
!
I don't want to have anything to do with anybody anymore!
I like brunettes, man!
So who are you people to criticize me?
So noisy! So noisy! So noisy!!
DATE

Not here!
Eh?
Kikuhara's not here?
What's the matter?
He's never in class during lunchtime
He always eats alone.
Ignore him! Let's eat!
!
Damn!
Although I don't know why Kikuhara has been avoiding me all morning,
I'm going to make him have lunch with me

Hi!
How did you know...?
You're good at finding places like this.
This new class is not only clean and quiet, it also has a nice view.

Weirdo!

Although you said you won't believe someone who falls in love at first sight,
don't you think.
liking someone because of their beautiful hair, their appearance is reasonable?
Huh?
Even though...
What beautiful hair! And her face is pretty, too!
He he
Thank you for the compliments

When she describes the labour she goes through to take care of her hair,
she looks really adorable.
Is there something wrong with that?
SERIOUS!
And I have to spend more than half-an-hour every time I wash it!
I have to carefully choose my shampoo
I have to wash it every morning!
But it's hard to taste more of this than!
But...
There're three or four of them...
Yup!
Maybe I just have more love to go around...
PAAGH
Talking about pretty,
she dumped me after school yesterday
Chi!
You have nothing better to do!
!

I understand.
If you really want to go, then go!
Why?
Because I wanted to chase after you then...
ANGER!!
If you leave, then we're through!
On one condition though.
Of course not! I was just more concerned about you at that time.
What? Are you an idiot?
Then?
I went off to look for you!

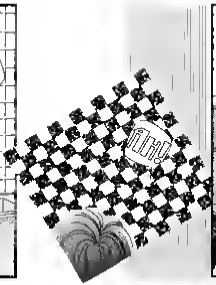
GOOC
My heart starts racing... Right! There's something really wrong with me!
I actually ignored Mumi's beautiful hair and was concerned with Kikuhara...
Although I like Yukiko's smile, I'm more interested in understanding Kikuhara knowing both his strengths and weaknesses.
You really are a weirdo!
More importantly...
Kiku-hara...
When I look at Kikuhara's beautiful face...
Kawai...?

Wha...
What are you doing?
Snap
Ah!
Whaa...!
Noth-ing...!
Flush
My heart starts racing...
Flush
Don't tell me this is—
I-A

This is LOVE!?
Ah...
Oh!
Different from friendship...
Different from how I feel about my fourious girlfriends
Kawai's been busy daydreaming.
Snap out of it!
That's for you.
Oh!
That hurts
Kawai,
You'd better stop being so close to Kikuhara.
But
I'll say...
Didn't he say he's a narcissist?
Yeah!
Eh?
You ok?
Oh yeah...
...about my other girlfriends.
But I'm disinterested...
He won't like anyone else.
If you really fall for him, won't you suffer heartbreak?

Really? He can only love himself?
Sigh...
But should I give up?
Is this really...
I really can't understand how one can only love himself.
Eh?
How come? That's rare! You're back early today!
Don't you normally go dating with girls?
Where are your friends?
So glad!
You seldom look so pensive!
That's why I smile!

Hey! Sis..



Hmph!

I'm in no mood to joke around with you today.
No fun
Hmph!

The so-called narcissistic complex..
Does that really mean that one can't love others?

Aren't you supposed to be an expert at understanding the human mind?
Well, you're a psychology student?
Nah..

Why are you suddenly asking that?
I'm not sure, I don't have it!

That's right..
I don't really think he hates me..
If a college student can be that, won't the professor be a geek?
How can that be possible?
Want a drink?
Ow!
What's that?
With 3 spoons of sugar.
Milk!
Then his expression when talking about himself...
If he really isn't able to like anyone..
'Narcissists'...
are actually people who don't like themselves because they don't love anyone, but want to...
Hence, they channel all the love to themselves.
Ah!
But we did learn about the "narcissistic complex" in class.
Maybe that's why they don't have any love for others.
I like myself!
I like myself?
I think it's pop psychology?
The myself that I don't like
Psychiatry? I forget it soon after my lessons
Sigh

!
Furiously trying to protect himself...
I think that if one can bravely face himself,
there's no one in this world who can't love.
I like being this way!
...though he said he liked being that way, in reality he didn't.
That's why he had that sort of expression?
Because they don't love anyone
yet want to so

That's true!
Because he's like that...
I'm serious!
Who else can protect him other than me?
Kikuharu's so adorable...
He's more vulnerable than anyone else...
Now's not the time even to think about giving up!
Ready or not, here I come!
Art class

I like you!
I like you more than anyone else.

You saying that troubles me
because I only like myself.
!
!
Kikuhara.
You really are narcissistic?
Yes! Didn't I say it before?
GRAB
Eh?

BLUSH
I under-stand.
Then, let me protect you!

Don't say things that I don't understand!
I already said I only love myself!
I mean that you don't have to protect yourself this way anymore. I'll protect you!
Also, I'll love the parts of yours that you don't like!
I don't understand what you mean!
And this hand!

Tell me which part of yourself you like!
Then...
!

Your...
Stubborn, tantrum-throwing behaviour?
Your callous tone of talking?
Or that short temper?
!
So what?
Even if I have many annoying traits,
but I...
They're not annoying traits!
I like them all!

Snap
They're all lies!
Someone like you who has so many girlfriends .. How can I believe anything you say?
Ah!!
I've completely forgotten that I'm ex-dated
THEY'RE NO LONGER SIGNIFICANT!
GULP
!
LIAR!
That's...
I won't believe anything that you say!
I don't believe it!
Kikuhara!!
Huh?

I WON'T BELIEVE YOU!
A person like you...
I HATE PEOPLE LIKE YOU!

I knew he wasn't ready to accept anyone yet

What can I do...
to fill the emptiness in his heart?
To make him
feel better?
No matter what,
I'll have to settle things with those gals that I've almost forgotten about first.
Then...
He looked so upset...
But...
What can I do to make him believe me?
What can I do?

What?
Why did you ask all of us to come?
We only came because you said you had something to say.
So spit it out!
Erm... it's...
Eh!?
I'm really sorry.
I can't date you all anymore.
I've fallen for someone...
...and this time I'm serious.
This time? What is that supposed to mean!?

But this time's different...
He's special
So I can't straddle multiple boats simultaneously anymore
I'm really sorry!

I don't plan on giving up.

So ..

Hey
I've thought it through
I broke up with all my girlfriends yesterday
Heart
They're all quite victims...
Don't tell me all your injuries are...

I've decided to give my all to you, Kikuhara.
I would give you all my time.
This way you would understand
my sincerity.
So I'll start by picking you up for school.
I've said it a few times...
What's this about?
Don't think so highly of yourself!
Grab

So you...
Are you listening at all?
I don't want to come to school with you..
So irritating!
Hey!
WALK WALK WALK WALK
Do you live alone?
Can I come to your place to cook?
Divorced parents are not rare..
Kikuhara?
!
Huh!?

What?
You want to be a servant at my house?
That
I can also act as a guard dog and stand there!
That's a great idea!
Hello!!
Oh Night
And I'll sweep the floor.
That's all right, too
You don't have to cry when you say it
Choke
Hmph
I've got nothing to do with this person.
Anyway, we won't carry on together.
He looks really happy
Is that really Kuhara?
Ah!!
Well, so cute

Ah...
Don't tell me he looked so cute just now
But, don't be disappointed.
Kikuhara-
Even at night
Can't I come in? It's cold out here!
No! Even if you act cute.
Go home together after classes...
Hey! Hey! Hey!
WALK WALK WALK
Stick to him in school
I made them... Do you want to hear the reason why?
Come fetch him to school in the morning
Good morning!
Till midnight
Even so everyday...

You'll get a cold this way! Go home!
Hah!
I still feel very happy
HE HE HE HE HE
Time smell, wear it.

Kiku-hara, let's go home!
Very funny
Kawai!
Wah!

You can't skip the club meeting today! The seniors are angry.
I'm still not going.
How-
Kawai?
We arranged to go to the concert today!

You've been ignoring your friends recently.
Sorry! I can't go.
Of course I'll pay for the ticket
Anyone willing to substitute for me?
I'm sorry...
But I really can't now....
Bye!
Ah!
Annoyed

Of course, I'll stay with you.
What are you saying?
Go with them!
I said I'd give you all my time, didn't I?
Don't force yourself to stay with me!

Do you even have to ask? It's because I like you!
then why are you doing this for me?
You have so many friends and you get girlfriends so easily.
What I want most is to stay with you.
You're referring to my face?
to a certain extent, it is a kind of talent.
Although everyone wants to have a pretty face like you, it's still your own.
Isn't it kind of weird if you keep on separating the internal from the external?
Not like it's two different people.
Actually,
That's true, but?
like the rest of your body.
It's still a part of you

GOOC

It's all the same!
I like your pretty face,
and your caustic words.
Because they're all a part of you, Kikuhara.
!
When I'm with Kawai, my chest feels very full.
Somehow I feel really touched!
Erm...
Ah!
You believed it when I said like just now?
Don't know!
How can it be?
Why the hell am I asking a question that already knows the answer to?

So,
we're asking you not to drag Kawai down anymore
He hasn't been going to club meetings
Although he has many friends, he hasn't been talking to them
Kikuhara, you've got a narcissistic complex, right?
Don't you think it's very cruel to bait Kawai like that!
Who knows!
It's him who...
So do you believe me now?
How can it be?
No way!
GOOL

Look very happy
Me?
Eh?
Ah
But when you're with Kawai, you look very happy
Kiku-hara..
Don't tell me ..you've really fallen for him?

N..?
Really?
No..
Done!

Rain
The weather got really nasty

But he headed back alone
It's just a lie...
At this time, how could he head back alone?
Especially...
because it's about his feelings...
Just as I finally noticed his protectiveness towards me
Always saying things like "You're cute" and "I like you"
I like you so much!
He may be beautiful, but his character...
Taken for another guy by mistake
Kawai
Kawai

No way...
I thought he was different.
Did he end up being angry?
Why... he didn't even use the phone!
Do you trust me now?
Trust?
I trust you, but...
It's raining
I don't understand,
I never...
And it's been over 4 hours since...
Shit!

I want to trust you!

Heavy rain

Kawai?

Countless time

I couldn't go before you heard me cry... and there was no public phone...
Even so...
Eh?
Kawai?

But I was worried that if I went to change, and you came then...
because we made a promise—
to meet here
float away...

I'm sorry.
I didn't trust you to do something like that...
Kawai
It's okay if you are angry. . but I..
Huh
!?
Kikuhara?

So...
I'm sorry.
It's okay now.
you came.
And..
to hear you saying all that I..
I'm not angry.
everything is okay.

Really really...
It's fine...
but if I got a kiss from you like this I would be cured at once...
Bwahaha
What is it.
Huh?
Seeing Kitahara cry is painful.
Don't cry.
Kawai.
Fwah..

You idiot
really.

Really...
not to go back alone...
TIE
It's fine then..
I will take responsibility
It's all your own fault.

because I want you to be smiling
The wound made by glass
turns easily into beautiful flower
I will keep on giving you these feelings I have for you

But are you in good health?
What what.. you!
DISCOVER THE SUBSTANCE

I only said that..
You started crying so easily..

You said you would take responsibility..
Bu-bu-bu-but-

I'm going home...!!
Rattle Rattle
—So...
Come on!
Well!
Take-kun, let's go!
Yoon now we can go together!!
Sorry. I'm busy today.
But I promised someone...
I can't just...
Not again! You're never free in the afternoon!!
Really??
phew
You don't have a girl-friend... Why not give us a chance?
There are always girls around him... how can he notice a boy's gaze?
Well, not exactly maybe...
FLAP

My gaze hasn't been noticed yet.

A Date?? So busy!
I wonder what else.
CLATTER
....STARE....
Ah!
Thump
thump thump thump
thump thump thump
Did he notice me staring??

No... nothing.
In front of girls I'm always so...
Turn
Hm...?
You need something, Saori-kun?
Hi! You want to come with us?
Uhm.
It's nothing... right?
Step
Huh?
Eh?

No way!
Impossible!
I have been waiting for you to turn up.
What is it?
Takei-kun and Saeri-kun have a date— it's really strange!
Because although you are in the same class we've never seen you together!!
Grumble Grumble
No way!!
Well, you see
You're here
so let's go.
Eh—?!

How can two guys say publicly they're in love?
Well
We were hiding it ... that's why you don't know.
Hiding?
Whadya mean hiding??
Mmm
Mmm
Mmm

Now then,
we're going.
SLAM
It was bad to keep quiet till now
but that's how it is.
Umm... let's wait and see?
Do we believe it?
But...
What now?
thump thump thump

Ah, my bad!
Let go
Mh.
Mhhmmm~
step step step
Are you okay?
That my feelings came through?
Could that possibly mean
Soori,

Hate me, right?
Hmm?
... just now, you saved me!
But, Saori, you really do.
!
Because
You always scout at me ...
|
Don't you?

You thought you could conceal it?
You've been staring at me disapprovingly every day I could feel it!!
I don't get it, but I suppose you see me as a rival
Eh?
Blush
He felt my stare but disregarded it as disapproving and thinks I hate him?
I desperately tried to convey my message and it ends up like this
!
I really am an idiot!
Soon?
Just now, it was just an excuse to escape?

See ya!
My part in this is done
Turn
step step step
He...
Heyy!!
Grab
Wait I have a request
A request?
Pretending to be your lover?!

But why me?
Then I thought of how to get rid of them all at once
Do you see me as the exact same as the girls?
You hate me,
and I have no interest in boys...
There'll be no future problem!!
Just now, you came in the right moment!
Yes,
like what we just did.
I don't have a girlfriend and girls come flocking to me—
But there's so many of them that it's getting annoying.
By the way, right now it was only a part of it.

You don't have a girlfriend?
Uh! She's at another school!
I see...
No. I don't.
Is this misunderstanding going to be awkward because you have a girlfriend at school?
I'm a shut-off.
Well, we'll pretend at school only then, and it's gonna be fine.
Really, it'll be okay.
Uhm.
One month. Should be enough.
Maybe that time we'll break up.

Even if it's just a camouflage we'll be together for the time being...
Just hold out for a month
I'll be really grateful.
Even though pretending to be his boyfriend is nice
When they know that I'm a homo they'll give up!
Hee Hee
I don't believe it!
sigh
CHATTER CHATTER
And what will happen to me?
!
Ah
Ehh
Here they are

Blank
How boring! Intruding?
Phew
Intruding??
Who is?
Grumble
Grumble
Grumble
They are intruding
so we'd better leave.
Huh?
Grab
Aaahh!
Even if...
Even if it's only for a month, isn't it still a chance...?
Saori?
It's a lie but I can become Takei's lover... we'll be together after all...

He came...

You hate me so much you can't even eat with me?

Alone, the two of us.
Thump Thump
Hate him.
When it comes to feelings, he's really dense.
Well then
He doesn't like to be bothered
All this food, this one here and this one and that one all wrapped in seaweed is really tiresome
Why are you eating it then?
This unrequited love will end
But something must be done about these feelings.
If Takeshi finds out that I really like him

Ding Dong
Saori,
let's go home.
Ah!
But I...
What?
I have cleaning duty today...
Um, play truant.
How can I—?

You're not inferior!
See,
I'm simply too lazy so I said all this

Slow with attitude, and haughty generally the type I hate
But her body is really firm.
Maybe it's too bonish!

Sometimes, she's very gentle
completely not self-conscious

Saori is really cute!
When you were smiling like that, your whole image changed.
Is that so?
Did you make that face because we were talking about your loved one?

You seem angry now

How does it feel being in love?
Um... I don't really get this feeling.

Your face is very pretty like a girl, but your body is not as soft as them.
He should stop now!!

Seori?
Two guys actually kissed!
These people will finally be convinced.
Great!
I was weird again
I had expected twins like that
TAND
Hey!
I gotta go now, so.
—It seems I fell for a boy.
haaaa
ha ha ha!
But, Why am I laughing?
I cannot believe it myself
What have I done?
Seori was too cute I couldn't help but tease him.
Seori!
TAND
step step step

'Saori is so cute'

'I have feelings for him'

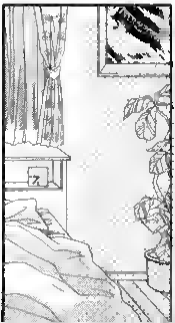
'I want to be with Saori'
Even talking is fun

'I want to kiss Saori'
and maybe more than just a kiss...

These kinds of feelings.

Sigh

What now?



It.
This is my punishment for lying too much
TROP
Just a game
But but...
A game but still
I was lucky to get kissed.
I could've gotten nothing
"Pretend lovers" it wasn't a chance from god after all.
"Lover" "hate you" and "girlfriend" All these are nothing but lies!
I promised and there's still one week left... but let's end it now.

Yeah...
The girls believe it since yesterday.
That had been the plan since the beginning.
So...
Ah, no... There's still a week left, and I'm quitting earlier... so it's fine
I got it. What should I do as a thank you?
Are you sure?
Before I get hurt even more...
Before I love him even more

If you want to end it,
we'll do what was promised in the first place!
I can never get what I want the most, so what's the point?
No way! In the meantime, you've helped so much.
It's ok.
Actually
Or else me and Saeri will stick to the three week deal.
so tell me whatever you want!
Why?
Me
Eh?
It can be anything...
there are no limits
Why did it have to be him?
Why did I have to fall in love with someone who can say such cold things?
I really don't want anything.

Give me the self-centred, slow 'Takei' !
'Takei' !
Give me 'Takei' !
I don't want anything!
I just want 'Takei' !
GRASP

Finally...
Finally, I said it and now you're all bothered...
See??
so...
you can just leave now!
Saori
are you serious?

I'm really slow, but I finally understood.
'I also love Saori'...
I solved the puzzle.
Eh?
The clues are 'Saori is cute', 'I have feelings for him', 'Want to be with him' 'Want to kiss him'...
You know the answer?

It's a lie!
It's not!
Doesn't seem like you hate me. But you have a girlfriend, so.
Anyway, before we settle this,
I want to start over and someday snatch you away.

About the girlfriend...
and hat'-g you...
From the start, I was lying to you.
But it was a lie!
Snatch me away?
Then let's start over!!

The two of us, let's start with truth now
This time it's real.
!
To gaze
To communicate
We must stay together forever!
Yes...
Let's meet outside of school too
Yes!
Promise to meet me during vacations.

You.
It's all right.
I understand what is the most important.
I love you!
No matter what, let's start again now!

But now—
Saeri?

Ah—
I I
Wasn't staring at you now
Yeah!

Just now... I I
Ahhhhh
Touch

Takei
Takei...
I really can't make you get it just by only gazing at you
The message that I've been thinking of you all the time
CHANCE

Just now...
Your eyes are saying, "I love Takei. I really, really love him.
I love him more than anyone else in the world."
I'm so happy I could relay it to you——
But now, Takei has got my message...
Hmm?
Saori?
Am I right this time?
Hah...
Bush
Then how much did you say?
Stiff as a board
Pity?
Uhh...
What's with that 'love, love'?
I didn't say that much.
Whispering
Wr... Wrong
Wrong again?

SWEET
SWEET
RAIN

One day,
a guy who hates rain, but brings rain with him wherever he goes, said to me
When I'm with you the weather really clears up.
Stay by my side forever, will you?
I know.
People have always told me that I bring sunny weather
. . . what?
Hey
Of course for someone who's secretly in love with him it was a godsend

I'm happy that he thinks of me as someone special.
S-Sure
I will!
But...
Katsu-nori!!

What? You forgot again?
Oh well
It's OK.
Hm?
Good morning
Have you looked at the English sheet?
The one for homework
Just take a look
Once in a while
Home-work is so bother-some
Hey, that's wrong.
Ahhhh
In the end it has to do it himself
What? Where?!
Here.
Aaaaagh...!
Enough Just write down what I say.
OK OK
And over there
Where? Where?
What?
That "fill in the blank" is wrong
Huh?
You think I'll do it?

Yeah...
If you say so...
You're really smart, aren't you?
And he's popular—
tall, good-looking
Athletic.
Even his voice sounds nice
Katsunori, who can do anything, who has no problems,
who hates trouble-some things
So
He probably wants me
The last of which being rain
to be by his side just so it won't rain
He really hurts, but I never think about it
Ai?
I hate crowds, umbrellas and I don't want to get wet.
I'm a rain hater.

Truly a pro-posal! Kih—...?
He said, "please stay w my s...? F ever."
Those two, Really! I knew it!
Yeah, proposal!
Ahh, pro...sal!!
Ahh!
A proposal
They're so close to each other...
A proposal
Ohhh, gonna Ohhh
blush
But the me who got so happy when Katsumori said "forever."
What does he see in me?
You girls.
Well... about yester-day...
You said, "stay with me for-ever?"
RATTLE
That's...
That's not how it is!!

Silence...
Ah... Umm...
Well, that is...
Later
Right, Katsu-nori?
What? That's it?
Yeah That's it
Huh?
What?
What?
Katsunori really hates ram,
so it's convenient if I stay with him because then it will be sunny all the time. That's what's behind it
Funny, huh?
Swing
Swing
Swing

Yeah.
That's how it is.
See... Just like I thought...
I'm late.
Class is starting.
Where are you going?
Umph, how boring.
Well, that's that
So, shall I go for Sakamoto-kun?
Isn't he?
Sakamoto-kun is so cool, isn't he?
Sakamoto Katsumori ♥

TAP TAP TAP
But re...
What is it?
HUG
I'm going, too
Ah...
Arm in arm?
Joking, joking.
Hehe
As long as I bring sunny weather, I can stay with him
As long as the rain that Katsunori hates doesn't come...
It's running
Drip
Drip

Hmph
Just as I was thinking
What?
No.
What ???
Strange...
What on earth?! Shall we go back?
It doesn't look like it'll stop soon.
But we were going to watch a football game
What?
Even though the weather forecast didn't say anything
It's raining again today.
Why? Why? Why?
Whenever we go out together it rains,
as if it's our destiny

With this rain, they'll cancel it.
Besides I don't want to go out when it's raining.
Hmm
Then...
I'll go get an umbrella.
Ok
Ok
Here
Continuously
Rainy day after rainy day
The mood just gets worse and worse
If this goes on, I'll be ...
Open

I must have lost...
...my ability to bring sunny weather.
If it's raining all the time, then I'm useless...
If this keeps happening, what am I going to do?
Huh?
What should I do?!

You're going to regret...
...that you told me to stay by your side forever.
ZAAAA
I was happy no matter what the reason was,
as long as I could stay by your side—
Because I love you—!!
...

So...
No, you'll run away.
Don't cling to other people's shoulders.
Hey!
Hey, let me go.
No!!
holds the kit
I won't.
Liar! Someone like me is just bothersome to you!
Geez, you've got it all wrong.
Asking you to stay by my side forever...
It was meant to be a proposal.
It was a proposal.
Huh?

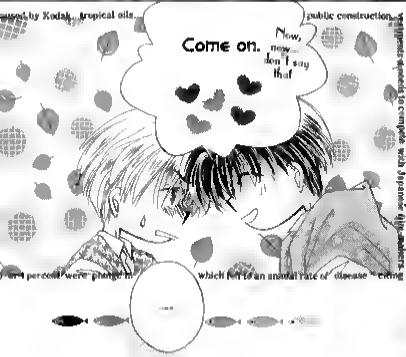
...that it was a proposal
The girls got it right away...
You...
Thick-headed
How come you're the only one who didn't get it?
But...
You just misunderstood me
It has nothing to do with the weather
But... sunny weather...
No, that's not it
...you understood and were trying to deny it.
I thought...
I guess it's alright now.
Even so, you're just too cute.
And then
scrub
It was a proposal?
It was
What should I do? I'm so happy.

In happiness both the sky and my heart brightened
As the gentle belt of rain wrapped around us
we kissed
The blue sky opened up wider and wider
in happiness
And then
A lot of witnesses...
Well, the rain has stopped. Shall we go watch the game?
Take a look around first
Right here at Lucky School
I saw that!
Aaaaah!
I knew... these two are a pair of liars
Ah!
Kaah
Whoa!
Whoa!
Whoa!

ONLY YOU

Huh?
What Kawai?
Hey, Kikuhara

too formal, don't you think?
this is a little bit...
Kawai,
Kiku-hara,



Come on.
Now, now... don't say that

Let's switch to something more intimate
Chin Chin
I'd rather
So that's not what you wanted to say

I will think about it
Yesss!!!
The truth is, I've already thought about.
However
Fine! Let's change it.
Ah!
Really?
Surprised
..
What did you have in mind?
By the way
Either that or no change!
Huh..
Kikuhara
Is honey"

Honey, instead of Kawai
Huh?
Fine with you?
And of course, you'll call me "darling."
What, honey?
Darling
Darling ?
Thanks, Kawai
Yeah, I hear you
Did you hear me? Kiku-hara?
I wanted to call him KIKU-CHAN
I thought it might be like that
Kawai♥
Apron
OK, Kikuhara?
Kiku-hara,
I'm going to make dinner now.
